God-shaped hole

Have you ever neared the completion of a jigsaw puzzle, only to discover that a piece or two is missing? That's an apt visual for what it's like to live without God. Blaise Pascal, a 17th-century philosopher, observed: "There is a God-shaped vacuum in the heart of each man which cannot be satisfied by any created thing but only by God the Creator, made known through Jesus Christ."

Centuries earlier, St. Augustine proclaimed "Thou hast made us for thyself, O Lord, and our hearts are restless until they find their rest in thee." And in the Old Testament, the writer of Ecclesiastes expounded on the meaninglessness of earthly striving and material pursuits. Only God's Spirit can fill our emptiness and satisfy our eternal longings.

"I have come that they may have life, and have it to the full," says Jesus in John 10:10 (NIV). He alone provides the solution for emptiness. What comfort to be filled with — and to find our fulfillment in — our Savior!

"Beloved, let us love one another, for love is from God, and whoever loves has been born of God and knows God." 1 John 4:7
